1. Introduction

Peacewin is a non-government social development organization. It works with underprivileged groups, especially children, women, youth for the promotion and practices of their social, economic, and cultural rights. PeaceWin addresses program integration and mainstreaming of social issues, i.e., dignified menstruation, sexual health rights, anti-tobacco, child marriage, and gender and caste discrimination and climate adaptation, DRR.

PeaceWin conducts an annual organizational social audit regularly as the tools of accountability, transparency and good governance. PeaceWin holds its annual social audit in rotation basis at different places with different groups and stakeholders. This year the event was organized at Martadi, the district headquarters of Bajura. Representatives from Khaptad Chededah Rural Municipality and Budhiganga Municipality, and other district level officials were attended in the event. The event covered the FY' 2079/080 plan vs. progress, income vs. expenditure, major learning, working modality, organizational performance, improvement on last year suggestions and collected participants' feedback for the future improvement.

2. Objectives

- Participatory review and reflection on PeaceWin organizational status of PeaceWin of FY' 2079/080

- Participants were informed about the organizational work and put their concerns directly to PeaceWin
- Direct face to face action promoted the mutual understanding
- Enhanced stakeholders' participation in PeaceWin organizational review and direction for future improvement
- PeaceWin received feedback and suggestions for next year to make the organization more accountable and transparent

7. Some major reactions and feedback/suggestions from the participants

- Work accomplished by PeaceWin is well-thought-of and commendable, so we should learn from it.
- Hemraj Jaishi, Ward Chairperson, Budhiganga MC-6
- PeaceWin has been playing an important role in the transformation and change of the society in Bajura district and keep it up. Collaboration and partnership with ward and local government to be focused more in the future.
- Ramesh Rawal, Ward Chairperson, Budhiganga MPC-9
- In addition; assisting in planning processes of local level People aspect from PeaceWin facilitating in toll and community level too in planning processes.
- Nanda Bahadur Rawat, Acting CAO, Khaptad Chhededaha RMC
- Since PeaceWin has made a significant contribution to the development and social transformation of women, children, and marginalized groups, it should be continued and more focus is needed in livelihood sector.
- Prem Raj Jaishi, Acting Chief Administrative Officer, Budhiganga MC
- Child marriage, caste and gender discrimination is so high in practice. Local government and PeaceWin jointly address in abolishing these harmful practices.
- Dil Bahadur Rawat, Chairperson, Khaptad Chhededaha RMC
- Since PeaceWin is a close friend of the government and addressing various social issues, it is equally important to facilitate in development of the municipality plans, campaigns against social inequality should be continued in Budhiganga Municipality in the coming days.
- Maya Khadka Kunwor, Deputy Mayor, Budhiganga MC

8. Conclusion

Annual social audit is the regular practice of PeaceWin for maintaining its social responsibility and accountability. Intensive participation and critical inputs of stakeholders make the organization stronger. For the live organization beneficiaries" and stakeholders' close observation and monitoring is essential. Internalization the truth PeaceWin has organized the event. The inputs come from the event will guide the organization for a year.
